
Software License Agreement Zellmechanik Dresden GmbH

Version: 2.0

Date: 2026-03-11

Copyright © Zellmechanik Dresden GmbH

This Software License Agreement ("Agreement") governs the use of software provided by Zellmechanik Dresden GmbH ("Zellmechanik"). By installing, copying, or using the software, the user agrees to the terms of this Agreement.

1. License Grant

Zellmechanik grants the user a non-exclusive, non-transferable license to install and use the software in object code form.

The use of the software is limited to the license type purchased by the user (e.g., single-user license, site license, evaluation license, or subscription license). The specific license conditions are defined in the applicable order confirmation or purchase agreement.

2. Permitted Use

The user may:

- install and use the software within their organization according to the purchased license
 - create a reasonable number of backup copies for archival purposes
-

3. Hardware License Binding

The use of the software may be technically bound to a hardware license device provided by Zellmechanik (e.g., USB license dongle).

The software may only be used together with the corresponding license device.

4. Restrictions

The user shall not:

- distribute, sublicense, lease, or rent the software
 - provide the software as part of a service or service offering to third parties
 - remove or modify copyright notices or other proprietary notices
 - modify, decompile, disassemble, or otherwise reverse engineer the software except where such activity is expressly permitted by applicable law (e.g., interoperability rights)
-

5. Research Use

The software is intended for scientific research and development purposes.

The software is not designed, manufactured, or certified as a medical device.

6. Open Source Components

The software may include components licensed under open-source licenses.

Information about these components and their license terms is provided in the accompanying **THIRD_PARTY_NOTICES** document.

7. Warranty Disclaimer

The software is provided **"AS IS"** without any express or implied warranties, including but not limited to warranties of merchantability or fitness for a particular purpose.

8. Liability

Liability of Zellmechanik shall be governed by the applicable **General Terms and Conditions of Sale and Delivery** of Zellmechanik Dresden GmbH.

9. Termination

This license terminates automatically if the user violates any provision of this Agreement.

Upon termination, the user must immediately cease using the software and delete all copies of the software.

10. Governing Law

This Agreement shall be governed by the laws of the Federal Republic of Germany.
